Xerox[®] VersaLink[®] C400 Colour Printer

System Specification	VersaLink C400N VersaLink C400DN	
One-Sided Speed		
8.5 x 11 in.	Up to 36 ppm colour and black-and-white	
A4 / 210 x 297 mm	Up to 35 ppm colour and black-and-white	
8.5 x 14 in. / 216 x 356 mm	Up to 30 ppm colour and black-and-white	
Two-Sided Speed		
8.5 x 11 in.	Up to 24 ppm colour and black-and-white	
A4 / 210 x 297 mm	Up to 23 ppm colour and black-and-white	
8.5 x 14 in. / 216 x 356 mm	Up to 21 ppm colour and black-and-white	
Monthly Duty Cycle ¹	Up to 80,000 pages / month	
Recommended Average Monthly Print Volume ²	Up to 5,000 pages	
Processor	1.05 GHz Dual-Core	
Memory	2 GB	
Connectivity	Ethernet 10/100/1000 Base-T High-speed USB 3.0 Wi-Fi 802.11n and Wi-Fi Direct with optional Wi-Fi Kit NFC Tap-to-Pair	
Controller Features	Unified Address Book, Configuration Cloning, Xerox Extensible Interface Platform®, Xerox® App Gallery, Xerox® Standard Accounting, Role Based Permissions, Convenience Authentication Enabled, Online Support (accessed from the user interface and print driver)	
	Termissions, convenience radicinated, online support (accessed normalic user interface and print articl)

Xerox® Versal ink® C400 Colour Printer

Xerox® VersaLink® (C400 Colour Printer		
Mobile Solutions and Mobile Device	ce Apps		
Xerox® Global Print Driver®	A truly universal print driver that lets IT administrators install, upgrade and manage Xerox® and non-Xerox® devices from a single driver. It provides a consistent, easy-to-use interface for end-users, reducing the number of support calls, and simplifying print services management.		
Apple [®] AirPrint [®]	Print email, photos and important office documents directly from an Apple iPhone® or iPad® with no drivers to install and no cables to connect. With AirPrint, an iPhone or iPad automatically locates and connects to the AirPrint-enabled device over the office Wi-Fi network.		
Google Cloud Print™	Google Cloud Print connects print devices to the web, enabling users to print the applications they use every day from smartphones, tablets, Chromebook™ notebook computers and any other web-connected device.		
Xerox® Print Service Plug-in for Android™ (Free at Google Play™ Store)	The Xerox® Print Service Plug-in for Android KitKat (4.4 or greater) devices streamlines mobile printing without third-party apps or additional print drivers. You can easily print photos, Web pages and documents when your mobile device is connected to multifunction printers using a wireless network. A robust print option set includes two-sided printing, stapling and secure code release. A free download is available from the Google Play™ store.		
Xerox® Print Management and Mobility Suite, Xerox® Print Management and Mobility Service	Xerox® Print Management and Mobility Suite is a modular set of workflows designed to save customers time and money by providing effective control over their print fleet, while enabling worker productivity and mobility through a set of robust workflows. Xerox enables ultimate customer flexibility by offering these capabilities in both an on-premises server version and with a cloud based-version of this solution.		
Software Solutions			
Xerox® ConnectKey® Apps (Found at the Xerox® App Gallery	Increase user productivity by simplifying and shortening everyday tasks. Unlike traditional software, ConnectKey Apps do not require a dedicated server, PC or IT resource. Instead, simply download these lightweight, serverless ConnectKey Apps to the device.		
Security	VersaLink C400N VersaLink C400DN

Device Management			
Xerox® CentreWare® Web			
	A Web-based server application for network administrators that permits web browser-based device management from any workstation, whether running Windows or UNIX or any other operating system Works with any SNMP-managed printer from any manufacturer Provides help with device discovery and installations, health checks and troubleshooting, and device upgrades, as well as basic accounting and asset management.		
Xerox® Embedded Web Server - Int	tegrated Device Web Page		
Device Status	Tray status/contents Consumables status Billing Usage Quick Links		
Job Submission	Print-ready files (PS, PCL, PDF, XPS, JPEG)		
Device Administration	Allows simple, remote installation setting of configuration options and management of the device		
Browsers	Microsoft® Internet Explorer® 11 Microsoft Edge™ 38 Mozilla™ Firefox® 48 Apple® Safari® 9.1 Google Chrome™ 52		
Remote Print Services			
Xerox® MeterAssistant® Service	Automates the process of collecting and submitting meter reads for tracking and billing of Xerox® device usage. Eliminates the need for time-consumingend-user involvement and ensures that meter reads are submitted to Xerox on time.		
Xerox® SuppliesAssistant® Service	Automatically orders supplies for Xerox output devices based on actual usage, eliminating the need to manually manage supplies inventory.		
Maintenance Assistant	Offers a fast (and free) way to resolve potential issues and receive assistance and automate the troubleshooting/repair process. Diagnostic data is sent to Xerox®, allowing for problems to be solved faster with increased uptime.
